## WARRANTY EXTENSIONS AND UPGRADES

### Warranty Extensions<sup>3</sup>

Provide a fixed-term, fixed-cost service solution that enables accurate budgeting for equipment expenses. Match your warranty coverage to your system refresh cycles.

### Warranty Upgrades

- ▶ Upgrade to On-site Service
  - Convenience of parts and labor provided on-site at your place of business.

### Sealed Battery Warranty

Will save you significantly relative to the cost of uncovered replacements, and if used in conjunction with on-site service, maximizes system availability. (Available for selected PCs.) Hardware availability varies by region.

### International Warranty Service<sup>4</sup>

The international service entitlement upgrade is purchased in addition to one or more applicable optional services that extends coverage to outside of the user's home country. International service entitlement upgrades are applicable to the following Lenovo™ services: Sealed Battery Warranty, Keep Your Drive, Accidental Damage Protection. The service level will be provided at the same level as the user's home country or closest service level available in the outside country.

### Technician Installation of CRU Parts

Base warranty typically requires self-replacement of Customer Replaceable Unit (CRU) parts. Upgrade to Technician Installation of CRUs and all CRU parts are subject to on-site service.

## PRIORITY TECHNICAL SUPPORT

Lenovo's Priority Technical Support provides direct access to advanced technicians 24 hours a day, 7 days a week. You'll have a single source solution for all your hardware, operating system, and software related issues.

- ▶ Priority call routing to advanced technicians - you receive a dedicated phone number.
- ▶ 24x7 telephone technician-to-technician support.
- ▶ Web-based service call tracking tools.
- ▶ Escalation management.
- ▶ Local-language support.
- ▶ Third party software support<sup>5</sup>.
