JP POD

Data Element	Content
お問合せ伝票番号	Lenovo sales order number for ODM
納品日	CCAD, (GI date + 4 business days) for air, (GI date + 8 business days) for Ocean YYYY/MM/DD
お客様	Postal Code City/Street/House number Name (Ship to party) Contact Person Name様 Telephone (Contact person (SH))
ご発注元	Keep blank
お客様ご注文番号/行注文番号	Customer PO, PO customer assign
製品名称	Product description
製品番号	P/N
Ref. ID	Optional, Reference ID is used to identify product configuration for JP SMB CTO order only
JAN コード	JAN Code
数量	Shipped QTY

JP POD still needs to be printed and attached to shipment for JP order

Notes:
The HK/TW/KR POD doesn't need to be sent by ODM anymore, because ODM can't provide Lenovo Delivery Number on HTK POD when goods are shipped. This is confirmed by HTK logistics colleague. The specification is just kept for reference.

✚ KR POD

Data Element	Content
BOL#	BOL number
Delivery Number	Factory DN.
Transport Mode	Air
Date	Goods issue date
HAWB	HAWB number for air
Customer PO	PO customer assigned
Order Number	Lenovo sales order number
